CONSENT FOR EVALUATION

State Law requires us to obtain your consent for any contemplated dental treatment or oral surgery. However, prior to any treatment, it is necessary to perform a thorough clinical evaluation including any diagnostic aids necessary. Please read this and ask about anything you do not understand. We will be happy to explain anything in further detail.

I hereby authorize and direct Dr. Nick Prater and Dr. Breanna Prater to perform upon my child (or legal ward) a complete dental examination including the advisable radiographs (x-rays) and any other diagnostic aid deemed necessary by the Dentist in order to properly diagnose the dental condition of my child. I also understand that if any dental treatment is necessary, I will be required to sign consent for treatment after having been explained the proposed treatment.

GENERAL CONSENT FOR TREATMENT

State Law requires us to obtain your consent for contemplated dental treatment. This form serves as a general consent for dental treatment. Please read this form carefully and ask about anything you do not understand. We will be happy to explain anything in further detail.

1. After consultation with Dr. Nick Prater and/or Dr. Breanna Prater and an explanation about any proposed procedure, I hereby authorize and direct the treating Dentist and/or dental auxiliaries of his/her choice to perform upon my child (or legal ward) the following dental treatment or oral surgery procedure(s) including the necessary or advisable local anesthesia, radiographs (x-rays) or diagnostic aids:

In general terms the dental procedures **may include one or a combination** of the following:

- *Cleaning of the teeth and the application of topical fluoride
- *Application of plastic "sealants" to the grooves of the teeth
- *Treatment of diseased or injured teeth with dental restorations
- *Removal (extraction) of one or more teeth
- *Treatment of diseased or injured oral tissues (hard and/or soft)
- *Treatment of malposed (crooked) teeth and/or developmental abnormalities
- *Treatment of Orthodontia

2. Alternate methods of treatment, if any, will also be explained to me, as well as the advantages and disadvantages of each. I am advised that though good results are expected, the possibility and nature of complications cannot be accurately anticipated and that, therefore, there can be no guarantee as expressed or implied either as to the result of the treatment or as to the cure.

I hereby state that I have read and understand this consent, and that all questions about this consent or any planned procedures have or will be answered in a satisfactory manner prior to any treatment. I understand that I have the right to be provided with answers to questions that may arise during the course of my child's treatment. I further understand that this consent will remain in effect until such time that I choose to terminate it.

Welcome to the office of Dr. Nick Prater and Dr. Breanna Prater. We want to make your visit productive and enjoyable. We are happy to answer any and all questions regarding insurance plans and payment policies you may have.

I. FINANCIAL POLICY

1. Patients WITH insurance coverage:

*Please understand that your insurance policy is a contract between you and your insurance company. We are not a party to that contract. We will be glad to help you obtain the appropriate benefits from your insurance carrier as a courtesy to you. However, you are responsible for understanding your individual benefits and for the payments of your account.

*Regarding insurance plans where we are a participation provider, all co-pays and deductibles are **due prior or at the time of treatment.**

*Regarding insurance plans where we are NOT a participating provider, estimates will be collected **prior to or at the time of treatment** and the difference will be billed as necessary.

*If your insurance company has not paid the claim within 45 days, the balance will be automatically transferred to you.

*In some cases, insurance carriers may pay for alternative benefits other than the treatment performed. In this case, you are responsible to pay for the difference.

*Even if you have dual coverage there may still be a portion that is your responsibility.

2. Patients WITHOUT insurance coverage:

*Patients without insurance coverage are required to pay for services rendered **at or prior to the time of treatment.**

II. CANCELLATION POLICY

*We require a 24 hour cancellation notice for a scheduled appointment.

*Patients who fail to show for their scheduled appointment without giving notice will be charged a \$50.00 fee.

III. BILLING POLICY

*Checks returned unpaid from the bank are subject to a \$35.00 service fee

*Accounts delinquent more than 45 days from the date of billing are subject to a 1% per month (12% annually) finance charge.

*When your bill is unpaid, a collection agency may be chosen to manage delinquent accounts. If your account is sent to our collection agency you will be responsible for collection and court costs along with attorney's fees.

BY SIGNING, I AGREE I HAVE READ AND UNDERSTAND PEDIATRIC & LASER DENTISTRY'S FINANCIAL POLICY, CANCELLATION POLICY, AND BILLING POLICY AND THAT I AM THE PERSON RESPONSIBLE FOR THIS PATIENT'S ACCOUNT.
